## **Media Release**

### **Bundoora retirees thrilled with \$1.47 million TattsLotto win!**

A retired couple from Bundoora are delighted to have won a \$1.47 million division one prize in TattsLotto's \$25 million Superdraw on the weekend!

The winning couple told a Tatts official that they didn't realise they'd won right away.

"My wife was watching the draw on television and she marked off all our numbers and turned to me and said, 'What does it mean if I got all six in a row?'" the winning husband explained.

"I wasn't sure either. We didn't realise that having all six of the drawn numbers on your ticket meant you were a big winner! We thought we needed the supplementaries as well."

The winning grandparents won't rush into any making any decisions about how to spend their windfall.

"We'd like to go on a holiday together somewhere, and share some of the prize money with our family," the winning man said.

The winning 18-game marked TattsLotto entry was purchased from **University Hill Lucky Lotto**, Kiosk 2, 5 Janefield Drive in Bundoora. The winners have chosen to remain anonymous.

Throughout Australia, there were 17 entries that won a first division share of TattsLotto's \$25 million Superdraw division one prize pool on the weekend, each worth \$1,470,588.24.

There were seven winning entries in Victoria, along with four winning entries purchased in New South Wales, two each in Queensland and Western Australia, and one each in South Australia and the Northern Territory.

The six other winning entries purchased in Victoria were from **Werribee Plaza Lotto Kiosk** in Werribee, **Waverley Gardens Lotto** in Mulgrave, **Box Hill Central Lotto**, **Drysdale Lotto** in Drysdale, **Williams Newsagency Ballarat** and **Tatts.com** online.

The winning numbers in TattsLotto's \$25 million Superdraw, draw 3305, on 23 March 2013 were 12, 13, 2, 30, 3 and 16 with the supplementary numbers 5 and 17.
